SUBJECT: Weekly Activity Report #13

They plan to make these individuals available to the Office of Training in groups of twenty. OTR has been asked to prepare an integrated schedule of training, embracing a period of time from six to nine months, which will include, in addition to EOD training the OC and intensive full time training in Near East Area Familiarization courses and in languages. NEA expects that the first group of twenty students will be available shortly after Labor Day 1957. PPS will coordinate the development of a plan for DTR's approval with the Operations School and the Language and Area School.

II. NEW PROJECTS

1. National Register of Area and Language Specialists

The Director of the National Science Foundation has requested the DCI's comments on the advisability and value, in terms of Agency needs, of a National Register of Area and Language Specialists. A reply for the Director's signature is being prepared.

25X1

2. JOT Candidate

JOT candidate [redacted] graduate student at Michigan State University, appeared on 25 March to meet the DTR and to be interviewed by the Chief, JOTP. Chief, JOTP, scheduled [redacted] for testing on 28 March.

25X1

3. Studies in Intelligence

On 26 March, C/PPS met with Deputy Chief, Intelligence School, and [redacted] to discuss the next issue of Studies in Intelligence. It was concluded that:

25X1

- a. Two articles dealing with propaganda will be included in the next issue. One is by [redacted] and the other is by [redacted] 25X1
- b. An IAC editorial board should be established to carry out the editorial policy of the studies and support of the DTR (1) in obtaining contributions from the Intelligence Community as a whole and (2) in ensuring that only those articles suitable for publication will be accepted. 25X1
- c. That in some future issue we attempt to get an article by [redacted] and another by [redacted] dealing with the subject of the adequacy of intelligence support, in the first instance by [redacted] in his role as a formulator of United States foreign policy and [redacted] in his role as an executor 25X1
